**NOTES :**

1. In compliance of General Circular Nos. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 read with Circular No. 20/2020 dated May 05, 2020 ,General Circular No. 21/2021 dated December 14, 2021 and General Circular No. 2/2022 dated May 05,2022 and subsequent circular 10/2022 dated December 28, 2022 issued by the Ministry of Corporate Affairs ('MCA') (collectively referred to as 'MCA Circulars') and SEBI circular dated January 05, 2023, the Company is convening the Annual General Meeting ('AGM') through VC/OAVM without the physical presence of the Members. The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
2. In compliance with applicable provisions of the Companies Act, 2013 (the Act) read with aforesaid MCA circulars and SEBI (LODR) Regulations, 2015, the 18th Annual General Meeting of the Company being conducted through Video Conferencing (VC) (hereinafter called as AGM).
3. The attendance of the Members attending the AGM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members has also been dispensed with, hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. The related Explanatory Statement pursuant to Section 102 of the Act, in respect of Special Businesses as set out above to be transacted at the Meeting is annexed hereto.
6. Corporate members intending to send their authorized representatives to attend & vote at the Meeting are requested to send a certified true copy of the Board Resolution authorizing them in this behalf.
7. Pursuant to Section 91 of the Companies Act, 2013 and regulation 42 of SEBI(LODR) Regulations,2015, the Register of Members and Share Transfer Books of the Company shall remain closed for 7 days from 20th September, 2023 to 26th September,2023(both days inclusive) for the purpose of the Annual General Meeting and Dividend.
8. As per Regulation 40 of SEBI Listing Regulations, as amended from time to time, securities of listed companies can be transferred only in dematerialised form with effect from, April 1, 2019. Members who are still holding shares in

physical form are advised to dematerialize their shareholding since trading is permitted only in dematerialized form.

9. The Non-Resident Indian shareholders are requested to inform the company immediately about:
 - a. The change in the residential status on return to India for permanent settlement.
 - b. The particulars of NRO bank Account in India, if not, furnished earlier.
10. The members are requested to address all their communications to M/s Aarthi Consultants Private Limited , Hyderabad, the common agency to handle electronic connectivity and the shares in physical mode .
11. Pursuant to Section 72(1) of the Act, individual shareholders holding shares in the Company singly or jointly may nominate an individual to whom all the rights in the Shares of the Company shall vest in the event of death of the sole / all joint shareholders.
12. In compliance with the aforesaid MCA Circulars, Notice of the AGM along with the Annual Report and Audited Financial Statements for the financial year 2022-2023 is being sent only through electronic mode to those Members whose email addresses are registered with the Company or the Depository Participant(s). The Notice can also be accessed on the websites of the Stock Exchanges i.e. BSE Ltd. and National Stock Exchange of India Ltd. at www.bseindia.com and www.nseindia.com respectively and also available on the website of E-voting agency CDSL at www.evotingindia.com and Company's website at www.tgvgroup.com.
13. Since the AGM will be held through VC / OAVM, the Route Map and Attendance Sheet are not required to be annexed to this notice.
14. Members seeking any information with regard to the accounts or any other information are requested to write to the Company atleast 7 days before the meeting. The same will be replied by the company suitably.
15. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) the Company is providing facility of remote E-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

- I. The Board of Directors of the Company has appointed MNM & Associates, practicing Company Secretary as Scrutinizer to scrutinize the voting and remote e-voting process in a fair & transparent manner and they have communicated their willingness to the said appointment and will be available for same purpose.
 - II. The voting period begins on September 22, 2023 from 09:00 AM and ends on September 25, 2023 to 5:00 PM. During this period, the Shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on September 19, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - III. Shareholders who have already voted prior to the meeting date would not be entitled to vote during the meeting.
 - IV. Voting rights shall be reckoned on the paid up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. September 19, 2023.
 - V. Any person, who acquires shares of the Company & becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com. However, if he/she is already registered with CDSL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
 - VI. The Scrutinizer, after scrutinizing the votes cast at the meeting and through remote e-voting, will, not later than two working days from the conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman. The results declared along with the scrutinizer's report shall be placed on the website of the Company www.tgvgroup.com and on the website of CDSL www.evotingindia.com.
16. If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend subject to deduction of tax at source will be made on October 21, 2023 as under:
- i. To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of the close of business hours on September 19, 2023.
 - ii. To all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or transposition requests lodged with the Company as of the close of business hours on September 19, 2023.

17. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in. Member/claimants are requested to claim their unpaid / unclaimed dividends from Financial Year 2015-16 till date, on or before 4th November, 2023.
18. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/ Aarathi Consultants Private Limited (in case of shares held in physical mode) and depositories (in case of shares held in demat mode). A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to companysecretary@srhhl.com or info@aarthiconsultants.com by September 19, 2023. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.
19. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate.
20. Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to info@aarthiconsultants.com. The aforesaid declarations and documents need to be submitted by the shareholders by September 19, 2023.
21. **Updation of PAN and other details:** SEBI vide Circular dated 3rd November, 2021 and 14th December, 2021 has mandated furnishing of PAN, KYC details (i.e., Postal Address with Pin Code, e-mail address, mobile number, bank account details) and nomination details by holders of physical securities through Form ISR-1, Form ISR-2 and Form ISR-3 (as applicable) and these forms can be downloaded from company's website www.tgvgroup.com. PAN details are to be compulsorily linked to Aadhaar by 30th September, 2023 or any other date specified by Central Board of Direct Taxes.

From 1st October, 2023, in respect of folios wherein any of the above cited documents / details are not available, shall be frozen as per the aforesaid circular. Effective from 1st January, 2022, any service requests/ complaints received from a Member holding physical securities will not be processed by the Registrar till the aforesaid details/documents are provided to the Registrar.

22. The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details and Nomination.
23. Members may please note that SEBI vide its Circular dated 25th January, 2022 has mandated Listed Companies to issue securities in demat form only while processing service requests viz., issue of duplicate securities certificate; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website under the 'Investors' section.

CDSL e-Voting System – For Remote e-voting and e-voting during AGM and joining virtual meeting

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020 and General Circular No.2/2022 dated 05.05.2022 and General Circular no. 10/22 dated December 28, 2022 and SEBI Circular no. SEBI/HO/CFD/POD/CIR/P/CIR/2023/4 dated January 05, 2023. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following

the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, read with circular no. 02/2022 dated May 05, 2022 the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tgvgroup.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020, MCA Circular No.02/2022 dated May 05, 2022, MCA circular no. 10/22 dated December 28, 2022 and SEBI circular dated January 05, 2023.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021 and MCA Circular No.02/2022 dated May 05, 2022 and General Circular No. 10/2022 dated December 28, 2022.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 22nd September, 2023 at 9.00 A.M and ends on 25th September, 2023 at 5.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 19 September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for **Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800225533.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can ontact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (v) Login method for e-Voting and joining virtual meeting for **physical shareholders and shareholders other than individual holding in Demat form.**
- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
 - 2) Click on “Shareholders” module.
 - 3) Now enter your User ID

- a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
 - 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
 - 6) If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form

PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login</p> <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

- (ix) Click on the EVSN of Sree Rayalaseema Hi-Strength Hypo Limited on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (ivx) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (vx) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (vixx) There is also an optional provision to upload BR / POA if any uploaded, which will be made available to scrutinizer for verification.
- (xvii) **Additional Facility for Non – Individual Shareholders and Custodians –for Remote Voting only.**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - It is mandatory that a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for

the scrutinizer to verify the same.

Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; companysecretary@srhl.com , if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for Remote e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance atleast 7 (Seven) days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at (company email id). The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance 7 (Seven) days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at (company email id). These queries will be replied to by the company suitably by email.
8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.

9. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.
10. The Company reserves the right to restrict the number of questions and number of speakers as appropriate for smooth conduct of the AGM.
11. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013)

Item No.5

On the recommendation of Audit Committee , the Board of Directors has approved the appointment of Sri Thota SSV Santhosh Kumar as Cost Auditor to conduct the audit of the cost records of the Company for financial year ending March 31, 2024.

In accordance with the provisions of Section 148 of Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost auditors had to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2024.

None of the directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No.5 of the Notice.

The Board commends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the shareholders .

Item No.6

The provisions of the Regulation 23 of the Listing Regulations, stipulate that a transaction with a related party shall be considered material, if the transaction(s) entered into/to be entered into individually or taken together with the previous transactions during a financial year, exceeds Rs. 1,000 crores or 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, and will require prior approval of Members by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis.

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 and Regulation 23(4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing Regulations"), the transactions under consideration and are proposed to be entered into by the Company with the related party M/s TGV SRAAC Limited which are in the ordinary course of business and at arm's length basis are material and hence requires members approval.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI circular SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 the particulars of transactions to be entered into by the Company with related party are as under:

(₹. in Crores)

Name of the related party	Actuals for the financial year 2022-23					Estimated for financial year 2023-24				
	Purchases	Sales	Lease Rentals	Services	Total	Purchases	Sales	Lease Rentals	Services	Total
TGV SRAAC Limited	156.76	123.95	0.06	2.42	283.19	250.00	200.00	1.00	4.00	455.00

These transactions are covered by annual contract which are required for day to day operations of the Company which make the Company to run and are required to be continued in the long term interest and economic benefits of the Company.

None of the Directors and Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution, except Sri.T G Bharath, Chairman & Managing Director.

The Board recommends the Ordinary resolution as set out in Item No. 6 of this Notice for your approval.

**ANNEXURE - C TO DIRECTORS REPORT****Conservation of energy, technology absorption, foreign exchange earnings and outgo :****I. Conservation of Energy:**

1. During the stoppage of 10 MW Power Plant steam is catered by Sulphuric Acid Plant - 2 or 3 through PRDS.

To utilise the energy available in steam it is proposed to install a back pressure steam Turbine in place of PRDS in SAP-3.

2. In Sulphuric Acid Plant 2 & 3 Low Pressure Heaters were introduced to pre-heat CEP outlet water before it goes to Deareator by Sulphur Melter Condensate so as to reduce steam consumption in deareators.
3. In Sulphuric Acid Plant -2 & 3 steam requirement to Deareators is met by enabling **bleed steam from** Steam Turbines of respective plants. Earlier Power Plant steam was used for this purpose by using some quantity of power. With the present system there is power saving.
4. In Stable Bleaching Powder Unit-I Plant , Scrubber Circulation Pumping system was modified in order to reduce power consumption by 10 HP.
5. In Stable Bleaching Powder Unit- I & Unit-III Plants Energy Efficient Pumps were installed & commissioned for Cooling Water service.
6. In Stable Bleaching Powder Unit-I & Unit-III Plants, the speed of Dust Return Screw Conveyors was increased in order to reduce/avoid the lime carrying over problem.
7. In order to improve the safety in the Plant, 17 nos Self Contained Breathing Apparatus were procured and kept in all plants for combating emergencies.
8. In order to reduce the fresh raw water consumption in all Plants, centralised Cooling Tower Blow Down water recycle system was implemented and being followed.
9. In order to improve the illumination in the Plant, three High Mast lighting systems were introduced.
10. As a preventive maintenance activity, the entire Chlorine pipe line between M/s TGV SRAAC Limited and Company Cal Hypo Plants was changed with new pipe line.
11. A proposal is being reviewed in order to utilize Chlorine generated from the proposed Sodium Metal Plant Electrolyzers in MOL preparation section of Cal Hypo Plant.

II. SPECIAL AREAS IN WHICH R & D CARRIED OUT BY COMPANY

1. A proposal was made to recover Sulphur from Sulphur sludge and in turn to make salable product from recovered Sulphur, an outside agency was approached to work out of this proposal.

III. BENEFITS DERIVED OUT OF R & D

1. Improved utilization of Cal Hypo Mother water in Milk of Lime preparation for certain local customer of Cal Hypo achieved. This will reduce dependency in the Market for Mother Water/Treatment.
2. New source for supply of Hydrated Lime for Cal Hypo was identified.

**IV. FUTURE PLANS IN R & D**

1. CSIR – IICT, Hyderabad has developed a technology to produce DiCyana Di Amide (DCDA) by using Calcium Carbide as raw material, for the first time in India. SRHHL is the Technology Partner which is seeking exclusivity for commercializing this process .
2. Green Hydrogen production from the electrolysis of water is being planned to reduce the environmental impact of present route of Hydrogen production.
3. Implementation of Surge Protection for all Weighbridge Load Cells and Power Source to take care of Surges during heavy Rains was completed.
4. Implementation of Auto Control Loop for Sulphuric Acid Strength in SAP1 was completed.
5. Flow Measurement System for Cooling Tower Blow Down Water for better Control is planned.
6. In Cal Hypo Plant, existing 10 HP – low speed Reactor motors (03 nos) shall be changed to 5 HP motors by end of June-2023. This is mainly conserved power.

V. OTHER IMPROVEMENTS :

1. One Induced Draft Fan was fabricated inhouse for Cal Hypo Plant purpose, so as to avoid dependency on outside vendors, whose trial is yet to be taken.
2. One Cadmill is being fabricated inhouse for Cal Hypo Plant Compact machine purpose. At present Cadmills are being procured from outside vendors.
3. Upgradation of Sulphuric Acid Plant 71 DCS System with 902 F Controller to take care of additional Input / Output Process Parameters.
4. Implementation of Automatic Block and Bleed Valve System for Process Condensate in Sulphuric Acid Plant 1 & 2.
5. Implementation of Interlock System for Air Blowers in all Sulphuric Acid Plants
6. Implementation of Interlock System with respect to Acid Flows to trip Sulphuric Acid Plant-01.
7. Centralisation of all Sulphuric Acid Plant DCS Systems at one Location for close monitoring.
8. Implementation of Flow Metering for all Acid Coolers' Cooling water in Sulphuric Acid Plant 1.
9. Provided Camel Joint Digital Temperature Indication at Field Operator Location in parallel with DCS for Safety Purpose.
10. In 10 MW Power Plant, existing 4 ESP fields of 40 Ka rating each modified as per consultant advice to ascending order as 40 Ka , 26 Ka, 22 Ka, 20 Ka that will be effective in reduction in power consumption to a tune of approximately 80 Kw power saving in a day.
11. In DM Plant, existing Raw water pumps of 30 HP x 2 changed with energy efficient Pump of 50 HP motor rating.

12. Erected and commissioned 5 MW Solar Power Plant, to reduce the load on Thermal Power Plant due to rise in Coal price.
13. In 10 MW Power Plant, existing Boiler Feed Water Pumps of 200 Kw x 2 rating at 80% load, were replaced with only one energy efficient Pump of 250 Kw rating. With this there is a saving of 80 Kw per day.

Technology Absorption, Adoption and Innovation:

There is no import of technology absorption, adoption and innovation during the year.

Foreign Exchange Earnings and Outgo:

- a) **Activities relating to exports, initiatives taken to increase Exports, development of new export market for products and services and export plans:**

The Company has continued to maintain focus and avail of export opportunities based on economic consideration.

- b) **Total Foreign Exchange used/earned**

(Rs. in lakhs)

i. Foreign Exchanged earned	39,357.40
ii. Foreign Exchange used	36,263.11

Annexure D to Directors Report

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT

SECTION A: GENERAL DISCLOSURES

I. Details of the listed entity

1. Corporate Identity Number (CIN): L24110AP2005PLC045726
of the Listed Entity
2. Name of the Listed Entity : Sree Rayalaseema Hi-Strength Hypo Limited
3. Year of incorporation : 28th March, 2005
4. Registered office address : Gondiparla, Kurnool-518004 (A.P.)
5. Corporate address : 40-304, K J S Complex, Bhagya Nagar,
Kurnool-518004
6. E-mail : companysecretary@srhhl.com
7. Telephone : 040-23313964
8. Website : www.tgvgroup.com
9. Financial year for which reporting is being done : 2022-23
10. Name of the Stock Exchange(s) : BSE Limited (BSE) and National Stock
where shares are listed Exchange of India Limited (NSE)
11. Paid-up Capital : 17,16,48,210 (1,71,64,821 Equity shares
of Rs. 10/- each).
12. Name and contact details : Mrs. Surekha Vobugari
(telephone, email address) of Tel : 040-23313964
the person who may be Mail: companysecretary@srhhl.com
contacted in case of any queries
on the BRSR report
13. Reporting boundary - Are the : Standalone
disclosures under this report
made on a standalone basis (i.e.
only for the entity) or on a
consolidated basis (i.e. for the
entity and all the entities which
form a part of its consolidated
financial statements, taken
together).

II. Products/services

14. Details of business activities (accounting for 90% of the turnover)

S. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Manufacturing of Chemicals	Manufacturing	52.60
2	Trading of Coal	Trading	39.56

15. Products/Services sold by the entity (accounting for 90% of the entity's Turnover):

S. No.	Product / Service	NIC Code	% of total Turnover contributed
1	Sodium Methoxide	20119	4.10
2.	Stable Bleaching Powder	20119	4.81
3.	Calcium Hypo Chlorite	20119	28.41
4.	Sulphuric Acid	20119	13.17
5.	Coal Trading	05101	39.56
Total			90.06

III. Operations

16. Number of locations where plants and/or operations/offices of the entity are situated:

Location	Number of plants	Number of offices	Total
National	1	4	5
International	Nil	Nil	Nil

17. Markets served by the entity:

a. Number of locations

Locations	Number
National (No. of States)	21
International (No. of Countries)	42

b. What is the contribution of exports as a percentage of the total turnover of the entity? : 29.29%

c. A brief on types of customers

The company's products are industrial inputs and hence majority of customers are industrial units the company hence operates a B2B marketing directly to its industrial customers and marketing and through traders for other customers.

IV. Employees

18. Details as at the end of Financial Year:

a. Employees and workers (including differently abled):

<p>8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).</p>	<p>Sri. T.G. Bharath Chairman & Managing Director DIN : 00125087</p>
<p>9. Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes / No). If yes, provide details.</p>	<p>Sri. T.G. Bharath Chairman & Managing Director DIN : 00125087</p>

10. Details of Review of NGRBCs by the Company:

Subject for Review	Indicate whether review was undertaken by Director / Committee of the Board/Any other Committee										Frequency (Annually / Half yearly/ Quarterly / Any other – please specify)								
	P	P	P	P	P	P	P	P	P	P	P	P	P	P	P	P	P	P	P
Performance against above policies and follow up action	1	2	3	4	5	6	7	8	9										
Compliance with statutory requirements of relevance to the principles, and, rectification of any non-compliances	The Performance of the Policies is undertaken by Board, Department heads and by the Relevant Committees										The Review is undertaken Annually or as and when the need arises								
11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency.											P	P	P	P	P	P	P	P	P
											1	2	3	4	5	6	7	8	9
											No								

12. If answer to question (1) above is "No" i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P	P	P	P	P	P	P	P	P
The entity does not consider the Principles material to its business (Yes/No)	1	2	3	4	5	6	7	8	9
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
The entity does not have the financial or/human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

The policies of the Company cover all Principles on NGRBCs

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1 Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics/ principles covered under the training and its impact	%age of persons in respective category covered by the awareness programmes
Board of Directors	4	Familiarization Programme	100%
Key Managerial Personnel	4	Statutory and Management	100%
Employees other than BoD and KMPs	12	Safety, Environment and Management	90%
Workers	12	Safety and work related	75%

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on e entity’s website):

Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	Nil	Nil	Nil		No
Settlement	Nil	Nil	Nil		No
Compounding fee	Nil	Nil	Nil		No

Non-Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions		Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment	No				No
Punishment	No				No

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
Not Applicable	

4. **Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.**

The Company has adopted a Whistleblower Policy and Vigil Mechanism to provide a formal mechanism to the Directors, employees and other external stakeholders to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct. The company has established an Ethics and compliance task force to process and investigate protected disclosures. The policy can be accessed on Company's website at the link : https://www.tgvgroup.com/download/hypo/VIGIL_MECHANISM_POLICY.pdf

	FY 22-23	FY 21-22
Directors	NIL	NIL
KMPs		
Employees		
Workers		

6. Details of complaints with regard to conflict of interest:

	FY 22-23		FY 21-22	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	NIL		NIL	
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	NIL		NIL	

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Not applicable

Leadership Indicators
1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

No.

Any inorganic chemical manufacturer depends on inputs from nature. We therefore get our raw materials from mineral sources which of course is not permanent. However, we also get raw materials which is derived from sea salt which is a permanent natural resource. Therefore, there is limited choice for the company to source inputs always from sustainable sources. Still company has set up solar and wind farm for sustainable energy sourcing. As such there is no such policy at the present.

b. If yes, what percentage of inputs were sourced sustainably?Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

	FY 22-23			FY 21-22		
	Re-used	Recycled	Safely disposed	Re-used	Recycled	Safely disposed
Plastics (including Packaging)	Nil	Nil	Nil	Nil	Nil	Nil
E-Waste	Nil	Nil	Nil	Nil	Nil	Nil
Hazarduos Waste -						
Sulphur Sludge	Nil	Nil	150.00MT	Nil	Nil	150.00MTS
ETP Sludge	Nil	Nil	140.00MT	Nil	Nil	423.400MTS
Spent Catalyst	Nil	Nil	Nil	Nil	Nil	250 Liters
Waste Oil	Nil	Nil	265 litres	Nil	Nil	280 Litres
Other	Nil	Nil	Nil	Nil	Nil	Nil

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity’s activities (Yes / No).

No

If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Not Applicable

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product/ Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency(Yes/ No)	Results communicated in public domain (Yes/ No)If yes, provide the web-link.
NIL					

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
Coal Handling	Dust emission during crushing of coal	Dust Extraction systems are provided near Coal Crushers. Water Sprinklers are arranged to spray water on roads to avoid dust pollution during vehicle moments
Chlorine Vent	Emissions of Chlorine vent	Usage plants are connected to individual wet scrubber with Caustic circulation to absorb chlorine vent

3. Percentage of recycled or reused input material to total material (by value) used in Products (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 22-23	FY 21-22
NIL		

4. of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

Not applicable

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category. Sree Rayalaseema Hi-strength Hypo Ltd advises all customers to dispose the unutilized/left over material.

PRINCIPLE 3 Businesses should respect and promote the well-being of all employees including those in their value chains
Essential Indicators

1. a. Details of measures for the well-being of employees:

Category	% of employees covered by									
	Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
	Number (B)	% (B / A)	Number (C)	% (C / A)	Number (D)	% (D / A)	Number (E)	% (E / A)	Number (F)	% (F / A)
	Permanent employees

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	No assessment of human rights issues are undertaken. However the Company has ensured no Child labour, forced labour, Sexual Harassment, Discrimination at work place
Forced/involuntary labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

10. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 9 above.

There has been no reported violations relating to contents mentioned above at Question 9

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

No such grievances/complaints on Human Rights violations

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Not Undertaken

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Our offices are accessible to Persons with Disability

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	—
Discrimination at workplace	—
Child Labour	—
Forced Labour/Involuntary Labour	—
Wages	—
Others – please specify	—

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

Not applicable

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. **Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:**

Parameter	FY 22-23	FY 21-22
Total electricity consumption (A)	34629440	29204427
Total fuel consumption (B)	4111322	11330951
Energy consumption through other sources (C) Solar	4622205	3352336
Total energy consumption(A+B+C)	43362967	43887714
Energy intensity per rupee of turnover (Total energy consumption/turnover in rupees)	0.0026	0.0035
Energy intensity (optional) – therelevant metric may be selected by the entity		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an externalagency? (Y/N) If yes, name of the external agency.

No

2. **Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.**

Not Applicable

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 22-23	FY 21-22
Water withdrawal by source (in kilolitres)		
(i) Surface water	Nil	Nil
(ii) Groundwater	Nil	Nil
(iii) Third party water	Nil	Nil
(iv) Seawater / desalinated water	Nil	Nil
(v) Others - River Water	705061 M3	862974 M3
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	705061	862974
Total volume of water consumption (in kilolitres)	705061	862974
Water intensity per rupee of turnover (Water consumed / turnover)	0.000042	0.000068
Water intensity (optional) – therelevant metric may be selected by the entity		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

4. **Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.**

Yes

All Effluents from process, washings, softener & DM Plant regeneration. scrubbers and boiler blow along with part of mother liquor from calcium hypochlorite and lean mother liquor from PGSBP process will be sent to collection followed by settling tank. From the equalization tank the clear effluent will be pumped to Dichlorination plant followed by multiple effect evaporator (MEE I). Condensate is reused for cooling towers make-up,. Sodium chloride is separated from concentrate of MEE-I by centrifuge and ML of centrifuge sent to multiple effect evaporator (MEE II) followed by crystallizer and centrifuge to separate remaining Sodiumchloride . Condensate from MEE II is reused for cooling towers make-up, sodium chloride from centrifuge -II will be separated and packed. Overflow from crystallizer -II and MLs from centrifuge – II sent to chlorate destruction plant followed by calcium chloride dryer.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 22-23	FY 21-22
Nox	µg/Nm ³	44.34	40.83
Sox	µg/Nm ³	40.31	32.04
Particulate matter (PM)	µg/Nm ³	21.84	20.72
Persistent organic pollutants (POP)		—	—
Volatile organic compounds (VOC)	µg/Nm ³	0.53	Nil
Hazardous air pollutants (HAP)		—	—
Others— please specify		—	—

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes. Vasthi Instruments (PVT) Ltd., Guntur . A.P

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 22-23	FY 21-22
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	Not Applicable	Not Applicable
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent		
Total Scope 1 and Scope 2 emissions per rupee of turnover			
Total Scope 1 and Scope 2 emission intensity (optional)— the relevant metric may be selected by the entity			

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

No

8. Provide details related to waste management by the entity, in the following format:

Parameter	FY 22-23	FY 21-22
Total Waste generated		
Plastic waste (A)	Nil	Nil
E-waste (B)	Nil	Nil
Bio-medical waste (C)	14.952 kgs	17.769 kgs
Construction and demolition waste (D)	Nil	Nil
Battery waste (E)	2820 kgs	1600 kgs
Radioactive waste (F)	Nil	Nil
Other Hazardous waste. Pleasespecify, if any. (G)	Nil	Nil
Other Non-hazardous waste generated (H). Please specify, if any.(Break-up by composition i.e. by materials relevant to the sector)	Nil	Nil
Total (A+B+C+D+E+F+G+H)	2834.952	1617.769
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	Nil	Nil
(ii) Re-used		
(iii) Other recovery operations		
Total		
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	Nil	Nil
(ii) Landfilling	Nil	Nil
a. Sulphur Sludge	150	150
b. ETP sludge	140.1	423.4
(iii) Other disposal operations	Nil	Nil
Total	290.1	573.4

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Not Applicable

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

Not Applicable

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Nil

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Yes, the entity complied with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules

Leadership Indicators

1. Provide break-up of the total energy consumed (in Joules or multiples) from renewable and non-renewable sources, in the following format:

Parameter	FY 22-23	FY 21-22
From renewable sources		
Total electricity consumption (A)	—	—
Total fuel consumption (B)	—	—
Energy consumption through other sources (C) with Solar	2085381 KWH	2000630 KWH
Total energy consumed from renewable sources (A+B+C)	2085381 Kwh	2085381 Kwh
From non-renewable sources		
Total electricity consumption (D)	—	—
Total fuel consumption • with Coal	60076835 Kwh	57292988 Kwh
Energy consumption through other sources (F)	—	—
Total energy consumed from non-renewable sources (D+E+F)	60076835 Kwh	57292988 Kwh

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

2. Provide the following details related to water discharged:

Parameter	FY 22-23	FY 21-22
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	Nil	Nil
- No treatment		
With treatment-please specify level of treatment		
(ii) To Groundwater		
- No treatment		
With treatment-please specify level of treatment		
(iii) To Seawater		
- No treatment		
With treatment-please specify level of treatment		
(iii) To Seawater		
- No treatment		
With treatment-please specify level of treatment		
(iv) Sent to third- parties		
- No treatment		
With treatment-please specify level of treatment		
(v) Others		
- No treatment		
With treatment-please specify level of treatment		
Total water discharged (in kilolitres)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

3. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

- (i) Name of the area :Gondiparla, Kurnool,A.P
- (ii) Nature of operations : Manufacturing

(iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY 22-23	FY 21-22
Water withdrawal by source		
(i) Surface water	Not Applicable	Not Applicable
(ii) Groundwater		
(iii) Third party water		
(iv) Seawater / desalinated water		
(v) Others - River Water	705061 M3	862974 M3
Total volume of water withdrawal (in kilolitres)	705061 M3	862974 M3
Total volume of water consumption (in kilolitres)	705061 M3	862974 M3
Water intensity per rupee of turnover (Water consumed / turnover)		
Water intensity (optional) – the relevant metric may be selected by the entity		
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water	Nil	Nil
- No treatment		
With treatment-please specify level of treatment		
(ii) Into Groundwater	Nil	Nil
- No treatment		
With treatment-please specify level of treatment		
(iii) Into Seawater	Nil	Nil
- No treatment		
With treatment-please specify level of treatment		
(iv) Sent to third-parties Cooling Tower Blowdown water sent to SAARC Ltd. For Treatment	80664 M3	92761 M3
- No treatment		
With treatment-please specify level of treatment		
(v) Others		
- No treatment		
With treatment-please specify level of treatment		
Total water discharged (in kilolitres)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No

4. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 22-23	FY 21-22
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	Not Applicable	Not Applicable
Total Scope 3 emissions per rupee of turnover			
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the			

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.
No

5. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

No Ecologically sensitive areas are reported

6. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
		Nil	

7. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, the Company has a business continuity and on-site emergency plan for all its locations. This business continuity plan enables the Company to adapt in situations arising from any natural calamity or an unprecedented event which may disrupt the business operations. The Company continuously enhances its existing plan by incorporating interferences and observations from disruptions faced in the unprecedented situations such as the pandemic. Further the Company's risk management plan enables the minimisation of disaster-linked losses, by assessing the potential for major disruption with its consequent risks to the business, and by providing the appropriate mitigation action plans.

8. **Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.**

Not Applicable

9. **Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.**

Not available

PRINCIPLE 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. **a. Number of affiliations with trade and industry chambers/ associations.**

Four

- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations(State/ National)
1	The Federation of Telangana Chambers of Commerce and Industry (FCTTI)	State
2	Basic Chemicals Cosmetics & Dyes Export promotion council (CHEMXEIL)	National
3	Federation of Indian Export Organization	National
4	Indian Wind Power Association	National

2. **Provide details of corrective action taken or underway on any issues related to anti- competitive conduct by the entity, based on adverse orders from regulatory authorities.**

Not Applicable

Leadership Indicators

1. **Details of public policy positions advocated by the entity:** NIL

PRINCIPLE 8 Businesses should promote inclusive growth and equitable development

Essential Indicators

1. **Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.**

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes /No)	Results communicated in public domain (Yes / No)	Relevant Web link
NIL			No	No	

2. **Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:**

Not Applicable

3. **Describe the mechanisms to receive and redress grievances of the community.**

The Company has set up a framework of multiple mechanisms to receive and redress grievances, for the community. The stakeholder shares a proposal with the needs required. The Company then follows below steps:

- Need Assessment:** At the first stage, the proposal is reviewed to assess the need and the proposed outcome and impact. The implementing agency is reviewed for the fulfilment of regulatory criteria and prior experience in working for a similar cause.
- Regular interactions with community:** This is done by physical visits, virtual meetings, feedbacks review of outcomes, third party reports, photos, etc redress
- In case there is a grievance and can be resolved by the Company, the proposal accounts for this in scope of work and approvals are taken and action is taken.

4. **Percentage of input material (inputs to total inputs by value) sourced from suppliers:**

Under the Micro, Small and Medium Enterprises Development Act, 2006 and in accordance with the notification issued by the Ministry of Corporate Affairs, certain disclosures are required to be made relating to Micro, Small and Medium Enterprises as defined in the said Act. The company is in the process of compiling the relevant information from its suppliers about their coverage under the said Act and hence required disclosures made to the extent available.

	FY 22-23	FY 21-22
Directly sourced from MSMEs/ small producers	5.60%	4.28%
Sourced directly from within the district and neighbouring districts	1.51%	0.46%

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Not Applicable

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spent (In INR)
1	Andhra Pradesh	Kurnool	50,614,832

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized / vulnerable groups? (Yes/No)

No

Consumption of resources by the Company is limited to running its operations. The Company believes in equal and fair opportunity to all vendors including marginalized /vulnerable groups.

- (b) From which marginalized /vulnerable groups do you procure?

Not applicable

- (c) What percentage of total procurement (by value) does it constitute?

Not applicable

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned/ Acquired (Yes/No)	Benefit shared (Yes / No)	Basis of calculating benefitshare
NIL				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of authority	Brief of the Case	Corrective action taken
Not Applicable		

6. Details of beneficiaries of CSR Projects:

The CSR activities are conducted in the villages adjoining the plant and the areas of Kurnool town. The Board ensures that the CSR activities undertaken by the company are within the scope of the following:

- 1 Clean drinking water to the people in the above-mentioned areas
- 2 Sports development
- 3 Health and Community Welfare
- 4 Animal welfare
- 5 On going project

PRINCIPLE 9 Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

The complaints, if any, are settled within a stipulated time frame on a priority basis by identifying root cause and taking corrective actions accordingly to the satisfaction of customer. We have standard practise as per protocol for Quality Management System - ISO 9001:2015

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	Nil
Safe and responsible usage	100%
Recycling and/or safe disposal	100%

3. Number of consumer complaints in respect of the following:

	FY 22-23	Remarks	FY 21-22	Remarks
Data privacy	NIL		NIL	
Advertising	NIL		NIL	
Cyber-security	NIL		NIL	
Delivery of essential services	NIL		NIL	
Restrictive Trade Practices	NIL		NIL	
Unfair Trade Practices	NIL		NIL	
Other	NIL		NIL	

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	NIL	NIL
Forced recalls	NIL	NIL

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

The confidentiality policy includes guidelines with regard to data security

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

There is no instance of any issues and hence no corrective action was needed

Leadership Indicators

1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available). www.srhh.comhttp://info.nsf.org/Certified/PwsChemicals/Listings.asp? Company Name = sree & Trade Name = & Chemical Name = & Product Function = & Plant

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The company provides information regarding the product, its usage, safety aspects and disposal through Material Safety Data Sheet (MSDS) which provides the product specifications and their risks. The MSDS provides information on safe storage handling and disposal. The TREME cards also provide product and safety information including a toll free number.

3. Mechanisms in place to inform consumers of any risk of disruption/ discontinuation of essential services.

We will prepare standard note and circulate to all consumers respecting their requirements in order to update of new launch or discontinuation of the products/ service and submit them by email as and when development on/off takes place.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief.

The product information is specified as per regulations

Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

The company has customer feed back in place

5. Provide the following information relating to data breaches:

a. Number of instances of data breaches along-with impact

NIL

b. Percentage of data breaches involving personally identifiable information of customers

NIL

ANNEXURE-E TO DIRECTORS REPORT

Report on Corporate Governance

This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Company's Philosophy On Code Of Governance

Corporate Governance encompasses a set of systems and practices to ensure that the company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. The objective is to meet stakeholder's aspirations and societal expectations. Corporate Governance in Sree Rayalseema Hi-strength Hypo Limited is a systematic process by which Company is directed and controlled to enhance its wealth generating capacity. Sree Rayalseema Hi-strength Hypo Limited (SRHHL) has been practicing the principles of good corporate governance. The Board of Directors supports the broad principles of corporate governance. In addition to the basic governance issues, the Board lays strong emphasis on attainment of high levels of transparency, accountability and integrity.

During the financial year ended March 31, 2023, four meetings were held on (1) June 30, 2022 (2) September 30, 2022 (3) December 31, 2022 (4) March 31, 2023 and all the members attended the meetings.

Details of compliants:

1. No. of complaints at the beginning of the year : Nil
2. No. of Investor queries /complaints received in the year 2022-23 : 15
3. No of complaints pending at the end of the year : Nil

Name and designation of the Compliance Officer:

Smt V. Surekha , Company Secretary has designated as Compliance Officer by the Board.

(iv) Risk Management Committee:

Pursuant to Regulation 21 of SEBI(LODR)Regulations 2015, Risk Management Committee was constituted on 30.06.2021 with Sri T G Bharath as Chairman, Sri A Kailashnath, Sri P Ramachandra Gowd and Sri H Gurunath Reddy as members to visualize internal and external threats, risks. The policy is placed on Company's website <http://www.tgvgroup.com/download/hypo/risk-management-policy.pdf>. During the year , meetings of Risk Management Committee were held on (1) 3rd September,2022 and (2) 1st March,2023

(v) Corporate Social Responsibility Committee

Corporate Social Responsibility Committee comprises of Sri.A.Kailashnath as Chairman, Smt. R Triveni and Sri.P.Ramachandra Gowd as members.

During the year ,meeting of Corporate Social Responsibility Committee was held on May 30, 2022 and all the members attended the meeting.

4. General Body Meetings:

- (a) The details of last three Annual General Meetings of the Company and the Special resolutions approved by the members.

Year	Location of AGM	Date	Time	Items of Special resolutions approved
2020	Held through video conference/ audio visual means. Deemed venue was Regd. Office, Gondiparla, Kurnool-518004 (A.P.)	November 30, 2020	11 A.M	1. Reappointment of independent director for second term.
2021	Held through video conference / audio visual means. Deemed venue was Regd. Office, Gondiparla, Kurnool-518004 (A.P.)	September 30, 2021	1 P.M.	1. Reappointment of Independent director for second term. 2 Appointment of Smt R Triveni as Independent Director 3 Appointment of Sri T.G. Bharath as Chairman & Managing Director for a period of 3 years.
2022	Held through video conference / audio visual means. Deemed venue was Regd. Office, Gondiparla, Kurnool-518004 (A.P.)	September 29, 2022	3 P.M.	1. Approval for giving loan or guarantee or providing security under section 185 of the Companies Act, 2013 2 To approve continuation of payment of remuneration to executive director who is promoter in excess of threshold limits prescriber under SEBI(LODR) Regulations,2015

Resolution(s) passed through Postal Ballot :

Details of resolution passed through postal ballot during Financial Year 2022-23 and details of the voting pattern.

The postal ballot is conducted in accordance with the provisions contained in Section 110 and other applicable provisions, if any, of the Companies Act, 2013, read with Rule 22 of the Companies (Management and Administration) Rules, 2014. The shareholders are provided the facility to vote either by physical ballot or through e-voting. The postal ballot notice is sent to shareholders as per the permitted mode wherever applicable. The Company also publishes a notice in the newspapers in accordance with the requirements under the Companies Act, 2013. Shareholders holding equity shares as on the cut-off date may cast their votes through e-voting or through postal ballot during the voting period fixed for this purpose. After completion of scrutiny of votes, the scrutinizer submits his report to the Chairman and the results of voting by postal ballot are announced within 48 hours of conclusion of the voting period. The results are displayed on the website of the Company (www.tgvgroup.com), and communicated to the Stock Exchanges. The resolutions, if passed by the requisite majority, are deemed to have been passed on the last date specified for receipt of duly completed postal ballot forms or e-voting.

The Company sought the approval of shareholders through notice of postal ballot dated November, 28, 2022 for appointment of Mr Satyam Gadwal (DIN: 09762624) as non-executive non Independent Director of the Company by way of Ordinary resolution and amendment of objects clause of Memorandum of Association by way of special resolution. The voting period was from 12th December, 2022 to January 11, 2023. The aforesaid resolutions were duly passed and the results of postal ballot/e-voting were announced on January 12, 2023. Smt M Sridevi, partner of MNM & Associates, Practicing Company Secretaries, were appointed as the Scrutinizer to scrutinize the postal ballot and remote e-voting process in a fair and transparent manner.

Resolution	No of votes polled	No. of Votes Cast in Favour	No. of Votes Cast Against	% of Votes Cast in Favour on Votes Polled	% of Votes Cast Against on Votes Polled

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members,
Sree Rayalaseema Hi-Strength Hypo Limited
CIN: L24110AP2005PLC045726

We have examined the compliance of the conditions of Corporate Governance by Sree Rayalaseema Hi-strength Hypo Limited (“the Company”) for the year ended March 31, 2023 as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as referred to in Regulation 15 (2) of the Listing Regulations.

The compliance of the condition of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to review of procedures and implementation thereof, as adopted by the company for ensuring compliance with condition of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanation given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**ANNEXURE-F TO DIRECTORS REPORT****Management Discussion & Analysis Report:****A) Industry Structure And Developments:**

The Company's main activity is manufacturing of chemicals. Other activities are generation of power through wind, Solar, thermal and also trading activities.

B) Opportunities And Threats:

- (1) There is growing demand for Calcium Hypochlorite in the international market
- (2) Most of the raw materials are easily available locally thus savings in the transportation costs
- (3) The raw material prices are uncertain in the market. Any steep upward price rise would affect the profitability of the unit.
- (4) The import of lime for the manufacture of Hi-strength Hypochlorite and Sodium Metal for Sodium Hydride may affect the profitability of the Company due to exchange fluctuations.
- (5) The generation of power through wind mainly depends on high wind velocity which is seasonal in nature and thermal energy mainly depends on availability of coal both indigenous and imported .

C) Segment-Wise Or Product-Wise Performance:

The Company surpassed its previous year performance in case of Calcium Hypo chloride (HSH), Sodium Methoxide , bottling of Hydrogen Gas and Power generation through Thermal energy, Power generation through wind. However, there was decline in Stable Bleaching Powder (SBP) , Sulphuric Acid ,Sodium Hydride, Chloro Sulphonic Acid (CSA) and oleum.

D) Outlook:

The Company is exploring possibilities in Real Estate and Trading activities.

E) Risks And Concerns:

- (i) Raw material prices are market driven and any upward revision will affect the profitability of the Company.
- (ii) Fluctuations in foreign exchange currencies in relation to exports, Imports and FCTL.
- (iii) The investments in shares are market driven which are exposed to related risks.

F) Internal Control Systems and Their Adequacy:

The Company has a good system of internal controls in all spheres of its activities. All the staff of the Internal Audit Department are well trained in internal control procedures and well versed with computerized environment.

Further, in key areas like stores, finalization of purchase orders and fixation of material prices are under pre-audit. The Management regularly reviews the findings of the internal auditors and effective steps to implement the suggestions/observations of the Auditors are taken and monitored regularly. In the opinion of the Board, an effective internal control system adequate to the size of the Company are in place.

G) Discussion on Financial Performance With Respect To Operational Performance:

For the year 2022-23 net profit before Tax is Rs.19,048.28 lakhs against Rs. 13,698.67 lakhs during the previous year. The Company provided Rs. (9.17) lakhs towards deferred tax, Rs.3,625.50 lakhs towards current tax and net profit after Tax is Rs. 15,431.94 lakhs.

H) Material Developments In Human Resources / Industrial Relations Front, Including Number Of People Employed:

During the year, the Company maintained harmonious and cordial industrial relations. The Company regularly conducting seminars and workshops to improve the safety and maintenance of the factory and for also timely dispatches of quality products. The Company is deputing employees for attending seminars for updating their skills and knowledge. The Company had around 414 employees on its rolls.

Ratios	March 31, 2023	March 31, 2022	% of Change
Interest coverage ratio (Profit before tax + interest + Depreciation) / Interest	4385.61	1965.32	123.08
Debtors turnover ratio (Receivable + more than 90 days) / Gross Sales	0.09	0.10	(13.38)
Inventory Turnover ratio (Inventory) / Cost of goods sold (note: cost of goods sold is excluding interest, selling and other overheads)	0.23	0.33	(31.26)
Current ratio Current Assets / Current Liabilities (excluding AMTL)	4.27	2.35	81.29
Debt equity ratio Long term Debt / Net worth	0.0004	0.001	(55.90)
Operating profit margin (%) PBIT / net sales	0.12	0.11	6.76
Net Profit margin (%) Net profit / net sales	0.09	0.08	15.30
Return on Net worth Net Profit / Net worth	0.21	0.18	14.01

Note : The better financials achieved by the Company during 2022-23, resulted in overall improvement in the financial ratios named above when compared with previous year 2021-22 and the variance is more than 25%.

Annexure G-Corporate Social Responsibility

1. Brief outline on CSR Policy of the Company:	<p>Appropriate steps are taken by the company to integrate CSR activities for the development of areas surrounding the Company in particular and other areas in general. SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 09 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Member,

Sree Rayalaseema Hi-Strength Hypo Limited

(CIN : L24110AP2005PLC045726)

Gondiparla,

Kurnool - 518004

Kurnool Dist

Andhra Pradesh

I, Geeta Serwani, Proprietor of M/s. Geeta Serwani and Associates, Practicing Company Secretary have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Sree Rayalaseema Hi-Strength Hypo Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on March 31, 2023 complied with the Statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of;

1. The Companies Act, 2013 (the Act) and the rules made there under;
2. The Securities Contracts (Regulation) Act, 1956(SCRA) and the rules made there under;
3. The Depositories Act, 1996 and the Regulations and Bye-law framed hereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment and Overseas Direct Investment;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India, 1992 (' SEBI Act');
 - (a) The Securities and Exchange Board of India(Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines , 1999;
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 ;
- (f) The Securities and Exchange Board of India (Registration to an Issue and Share Transfers Agents) Regulations, 1993;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

I have also examined compliance with the applicable clause of the following;

- I. The Secretarial Standards issue by the Institute of Company Secretaries of India.
- II. The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Accordingly, the Industry specific major Acts as applicable to the Company are complied.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.

All decision at Board Meetings and Committee Meetings are carried unanimously as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the Company has not undertaken any events which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
Sree Rayalaseema Hi-Strength Hypo limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Sree Rayalaseema Hi-Strength Hypo Limited ('the Company'), which comprise the Balance Sheet as at 31 March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes forming part of standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Sl.No.	Key Audit Matter	Auditor's Response
1	<p>Revenue Recognition</p> <p>The application of the revenue as per Ind AS 115 involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.</p> <p>Revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations.</p> <p>Revenue is only recognised to the extent that it is highly probable that significant reversal will not occur. Accumulated experiences are used to estimate provisions of discounts, rebates.</p> <p>Hence, we consider this as a Key audit matter.</p> <p>We tested related transactions with underlying customer contracts, and other related documentation based on which revenue is recognised.</p> <p>We also assessed the revenues related disclosures in the financial statements.</p> <p>Refer note no.2.12 of the standalone financial statements.</p>	<p>Our audit procedures included specific evaluation of compliance with requirements of Ind AS 115, "Revenue from Contracts with Customers" including:</p> <p>Our audit procedures, among others include the following: We reviewed the Company's implementation of Ind AS 115, including recognition of the effect on opening equity and changes to procedures, accounting guidelines, disclosures and systems to support correct revenue recognition. We reviewed and discussed the accounting policy including the key accounting estimates and judgements made by management. We tested the relevant internal controls used to ensure the completeness, accuracy and timing of revenue recognised. We read a sample of contracts to assess whether the method for recognition of revenue was relevant and consistent with Ind AS 115, and had been applied consistently. We focused on contract classification, allocation of income and cost to the individual performance obligations and timing of transfer of control. We evaluated the significant judgements and estimates made by management in applying accounting policy to sample of contracts and we obtained evidence to support them, including contractual agreements, delivery records.</p>

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and sustainable Report, Corporate Governance and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statement

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principle generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the company are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a

reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f. With respect to the adequacy of the internal financial controls over with reference standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure-B'. Our report expresses an unmodified opinion on the adequacy and the operating effectiveness of the company's internal financial controls with reference to Standalone Financial Statements.
- g. With respect to other matters to be included in the Auditors Report in accordance with requirements of section 197(6) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the company to its director's during the year is within the limits prescribed as per the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer note.41 to the Standalone Financial Statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts (including derivative contracts).
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.
 - iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other

- persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 15(v) to the financial statements the final dividend proposed in the previous year (FY 2021-22), declared and paid by the company during the year (FY 2022- 23) is in compliance with Section 123 of the Act, as applicable.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable with effect from April 1, 2023 to the Company and its subsidiaries, which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Sree Rayalaseema Hi-Strength Hypo Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) In respect of the Company's property, plant and equipment, right-of-use assets and intangible assets:
 - a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - B) The Company does not have any intangible assets. Accordingly, provisions of clause 3 (i)(a)(B) of the Order are not applicable to the Company for the year under review.
- b) The Company has a regular program of physical verification of its Property, Plant and Equipment, and right-of-use assets so to cover all the assets are verified in period of three years, in our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, propionate part of fixed assets were physically verified during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- c) As per the information and explanations given to us the title deeds of all the free hold immovable properties are held in the name of the Company except certain properties which were received in the scheme of Amalgamations in the previous years as mentioned below. The details of those properties are also given in note no. 52 of notes forming part of standalone financial statements.

Sl. No.	Balance sheet head	Description of property	Gross carrying value (in lakhs)	Title deeds in the name of	Whether title deeds holder is a promoter, director or relative of promoter/director or employee of promoter/director	Property held since date (Financial Year)	Reason for not being held in the name of the Company
1	Property, Plant and Equipment	Land	2,37,576	Amalgamated company	No	Date of Amalgamation	This was received in scheme of Amalgamation. Change of title is under process
2	Property, Plant and Equipment	Land	14,92,627	Amalgamated company	No	Date of Amalgamation	No Date of Amalgamation This was received in scheme of Amalgamation. Change of title is under process

Sl. No.	Balance sheet head	Description of property	Gross carrying value (in lakhs)	Title deeds in the name of	Whether title deeds holder is a promoter, director or relative of promoter/director or employee of promoter/director	Property held since date (Financial Year)	Reason for not being held in the name of the Company
4	Property, Plant and Equipment	Land	23,30,990	Amalgamated company	No	Date of Amalgamation	This was received in scheme of Amalgamation. Change of title is under process
5	Property, Plant and Equipment	Land	42,54,639	Amalgamated company	No	Date of Amalgamation	This was received in scheme of Amalgamation. Change of titles under process

- a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) during the year.
- b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, there are no Proceedings have been initiated during the year or are pending against the Company as at 31 March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988(as amended in 2016) and rules made thereunder.
- ii) a) The inventories have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. There were no material discrepancies noticed exceeding 10% or more in the aggregate for each class of inventory on verification between the physical stock and the book records.
- b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly/monthly returns or statements with such banks, based on physical verification of stocks. Accordingly, there are no discrepancies and are in agreement with the books of accounts.
- iii) a) The Company has, during the year, made investments in a partly owned subsidiary and gave an unsecured loan to the partly owned subsidiary company. The aggregate amount granted during the year and balances outstanding at the balance sheet date with respect to such loan to

subsidiaries and to parties other than subsidiaries Joint ventures and associates are as per the details given below:

Particulars	Loans Rs. in Lakhs
Aggregate amount granted during the year. - Subsidiaries - Others	1171.53
Balance outstanding as at balance sheet date in respect of above cases: - Subsidiaries - Others	1191.75 -

The Company has not provided any corporate guarantee or offered security during the year.

The above amounts are included in note 12 to the standalone financial statements.

- b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
- c) In respect of aforesaid loans, the terms and conditions under which loans were granted are not prejudicial to the company's interest, based on the information and explanation provided by the Company. In respect of loan granted by the Company, the schedule of repayment of principal is not stipulated and payment of interest has been stipulated and receipts of interest have generally been regular as per stipulation.
- d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date for more than 90 days.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- f) The details of loan granted, either repayable on demand or without specifying any term of repayment, are given below:

Particulars	All Parties ₹	Promoters ₹	Related Parties ₹
Repayable on demand	-	-	-
No items or repayments terms are specified	-	-	1191.75
Total	-	-	1191.75
Percentage of the total loans granted			100%

The above loan is included in note 12 to the standalone financial statements.

- ii) In our opinion and according to the information and explanation given to us, the Company has complied the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made as applicable.
- iii) The Company has not accepted any deposits or amounts during the year as per provisions of Section 73 or 76 of the Act and relevant Rules framed thereunder. Accordingly, the clause 3 (v) of the Order are not applicable to the Company for the year under review.
- iv) Pursuant to the rules made by the Central Government of India, the company is required to maintain cost records as specified under section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- v) In respect of statutory dues:
- a) According to the information and explanation given to us by the Company and records of the Company examined by us, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at 31 March 2023 for a period of more than six months from the date they became payable.

- b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March 2023 on account of disputes are given below:

Nature of Statute	Nature of Dues	Forum where the dispute is pending	Period of Dispute	Pending amount lakhs
Income tax Act	Income Tax	ITO, Kumool	2020-21	97.65
Income tax Act	Income Tax	ITO, Kumool	2019-20	1.15
GST Act	GST	CESTAT	2015-16	308
GST Act	GST	CESTAT	2015-16	122
GST Act	GST	AC, Kumool	2020-21	46.49

- vi) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961(43 of 1961).

- vii) a) According to the information and explanation given to us by the Company and records of the Company examined by us, The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year. Accordingly, Clause 3(ix) of the order is not applicable to the company for the period under review.
- b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not obtained any term loans. Accordingly reporting under clause 3(ix)(c) of the Order is not applicable to the company for the period under review.
- d) According to the information and explanation given to us by the Company and based on the procedures performed by us and on overall examination of Standalone Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purpose of the Company.
- e) According to the information and explanation given to us by the Company and on overall examination of Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or Joint ventures.
- f) According to the information and explanation given to us by the Company and based on the procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- viii) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year, and hence the company has is not required to be complied with requirements of section 42 and 62 of the Companies Act, 2013.
- ix) a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014

was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

- c) During our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us. The company has not received any whistle blower complaints during the year. Accordingly, Clause 3(xi)(c) of the Order is not applicable.
- x) The company is not a Nidhi Company as prescribed under Section 406 of the Act and Accordingly, clause 3(xii) of the Order is not applicable.
- xi) In our opinion, and according to the information given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards (included in note 45 to the standalone financial statements)
- xii) a) In our opinion and according to the information given to us, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit report for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedure.
- xiii) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xiv) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xv) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding the financials year.
- xvi) During the year, the statutory auditors retired by rotation as per section 139 of the Companies Act, read with rule 6(3) of the companies (Audit & Auditors rules 2014), after completion of the term of office.
- xvii) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information

accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xviii) a) According to the information and explanation given to us by the Company has incurred expenditure on Corporate Social Responsibility (CSR) including (on an ongoing project) in excess of the obligation for the year under review. Accordingly, there is no unspent amount liable to be transferred to the fund specified under schedule VII of the Act.
- b) According to the information and Explanation given to us Company has incurred excess amount than the obligation to be spent for the period under review. Accordingly transferring of unspent amount on an ongoing project under section 135 of the Act, does not arise. (Details are included in note no. 53 of the standalone financial statements)
- xix) The reporting under clause 3(xxii) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Sree Rayalaseema Hi-Strength Hypo Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Sree Rayalaseema Hi-Strength Hypo Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over to financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**Notes to financial statements for the year ended 31st, March 2023****Note 1: Corporate Information**

Sree Rayalaseema Hi – Strength Hypo Limited (“The Company”) incorporated on 28th March, 2005 it is the leading producer of Calcium Hypo Chloride, Stable Bleaching Powder, Sulphuric Acid and other chemicals.

The Company is a public limited company domiciled in India. The equity shares of the Company are listed on BSE Limited (BSE) and National Stock Exchange of India Ltd. (NSE).

The financial statements are approved for issue by the Company's Board of Director's on 30th May, 2023.

Note 2: Significant accounting policies**2.1 Statement of compliance**

These financial statements are separate financial statements of the Company (also called Standalone Financial Statements)

The Standalone financial statements have been prepared in accordance with Indian Accounting Standards (as amended) (Ind AS) as notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 together with comparative period data as at the year end March, 31st 2023.

2.2 Basis of preparation and presentation of financial statements

Financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The Standalone financial statements are prepared in Indian Rupees and all values are rounded off nearest to nearest lakhs.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and

**Notes to financial statements for the year ended 31st, March 2023**

measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36 Impairment of Assets.

The Statement of Cash Flow have been prepared in Indirect Method.

2.3 Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates.

Any revision to accounting estimates is recognised prospectively in current and future periods. The critical accounting judgements and key estimates followed by the Company for preparation of financial statements.

2.4 Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their in cash and cash equivalents. The company has ascertained its operating cycle as twelve months for the purpose of current/noncurrent classification of assets and liabilities.

2.5 Current and non-current classification.

The Company presents assets and liabilities in the balance sheet based on current and non-classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of business
- Expected to be realized with in twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

**Notes to financial statements for the year ended 31st, March 2023**

The Company classifies all the assets as noncurrent.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of business
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current

Deferred tax asset and liability are classified as non-current asset and liability

2.6 Critical accounting judgements and key source of estimation uncertainty operating cycle:

In the application of the Company's accounting policies, the management of the Company are required to make judgements, estimates, and assumptions about the carrying amounts of the asset and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods in the revision effects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other. For contingent losses that are considered probable an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

**Notes to financial statements for the year ended 31st, March 2023****Useful lives of depreciable assets**

Management reviews the useful lives of depreciable assets at each reporting. The management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

2.7 Functional currency:

The financial statements are prepared in Indian Rupees, which is the functional currency of the Company, functional currency of an entity is the currency of the primary economic environment in which the entity operates.

All amounts in the financial statements are stated in Indian Rupee unless otherwise stated.

2.8 Business combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange of control of the acquiree. Acquisition-related costs are generally recognised in profit or loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value, except that:

- Deferred tax assets or liabilities, and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Taxes and Ind AS 19 Employee Benefits respectively;
- Liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payment arrangements of the Company entered into to replace share-based payment arrangements of the of the Company entered into to replace share-based payment arrangements of the acquiree are measured in accordance with IND AS 102 at the acquisition date and
- Assets (or disposal Company's) that are classified as held for sale in accordance with Ind AS 105 (Non- current Assets Held for Sale and Discontinued Operations) are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity

**Notes to financial statements for the year ended 31st, March 2023**

interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

In case of a bargain purchase, before recognising a gain in respect thereof, the Company whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. Thereafter, the Company reassesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and recognises any additional assets or liabilities that are identified in that reassessment. The Company then reviews the procedures used to measure the amounts that Ind AS requires for the purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Company recognises it in order comprehensive income and accumulates the same in equity as capital reserve. This gain is attributed to the acquirer. If there does not exist clear evidence of the underlying reasons for classifying the business combination as a bargain purchase, the Company recognises the gain, after reassessing and reviewing(as described above), directly in equity as capital reserve.

Non-controlling interests that are present ownership interests and entitle their holders to a share of the entity's net assets in the event of liquidation may be initially measured either at fair value or at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets. The choice of measurement basis is made on a transaction-by- transaction basis. Other types of non-controlling interests are measured at fair value or, when applicable, on the basis specified in another Ind AS.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date

The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability

**Notes to financial statements for the year ended 31st, March 2023**

is remeasured at subsequent reporting dates in accordance with Ind AS 39, or Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets, as appropriate, with the corresponding gain or loss being recognised in profit or loss.

When a business combination is achieved in stages, the Company's previously held equity interest in the acquiree is remeasured to its acquisition-date fair value and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

2.9 Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Company's cash-generating units (or Companies of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

**Notes to financial statements for the year ended 31st, March 2023****2.10 Investments in associates and joint ventures**

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Company's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Company's share of losses of an associate or a joint venture exceeds the Company's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Company's net investment in the associate or joint venture), the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Company's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Company's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

After application of the equity method of accounting, the Company determines whether there any is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net

**Notes to financial statements for the year ended 31st, March 2023**

investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Company's investment in an associate or a joint venture.

When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

The Company discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. When the Company retains an interest in the former associate or joint venture and the retained interest is a financial asset, the Company measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109 (Financial Instruments). The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate or joint venture is included in the determination of the gain or loss on disposal of the associate or joint venture. In addition, the Company accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Company reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the equity method is discontinued.

The Company continues to use the equity method when an investment in an associate becomes an investment in a joint venture or an investment in a joint venture becomes an investment in an associate. There is no remeasurement to fair value upon such changes in ownership interests.

When the Company reduces its ownership interest in an associate or a joint venture but the Company continues to use the equity method, the Company reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities.

**Notes to financial statements for the year ended 31st, March 2023**

When a Company entity transacts with an associate or a joint venture of the Company, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Company's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Company.

2.11 Non-current assets held for sale/ distribution to owners and discontinued operations

The Company classifies non-current assets and disposal Company's as held for sale/ distribution to owners if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale/ distribution will be made or that the decision to sell/ distribute will be withdrawn. Management must be committed to the sale/distribution expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale/ distribution classification is regarded met only when the assets or disposal Company is available for immediate sale/ distribution in its present condition, subject only to terms that are usual and customary for sales/distribution of such assets (or disposal Company's), its sale/ distribution is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale/ distribution of the asset or disposal Company to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal Company)
- An active programme to locate a buyer and complete the plan has been initiated
- The asset (or disposal Company) is being actively marketed for sale at a price that is reasonable in relation to its current fair value
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn

Non-current assets held for sale/for distribution to owners and disposal Companies are measured at the lower of their carrying amount and the fair value less costs to sell/ distribute. Assets and liabilities classified as held for sale/distribution are presented separately in the balance sheet.

**Notes to financial statements for the year ended 31st, March 2023**

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortised.

Company qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations
- Is a subsidiary acquired exclusively with a view to resale

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Additional disclosures are provided in Note 30. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.

2.12 Revenue recognition

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed and there are no unfulfilled obligations.

**Notes to financial statements for the year ended 31st, March 2023**

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognised when the right to receive dividend is established.

2.13 Leases

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-Balance Sheet model.

The standard includes two recognition exemptions for lessees – leases of ‘low-value’ assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognize a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognize the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lease is ‘a contract or part of a contract that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration’. An underlying asset has been defined to mean an

Asset that is the subject of lease, for which the right to use that asset has been provided by a lessor or lessee.

Measurement of lease liability

On the date of transition lease liability is measured at present value of lease payments that are not paid as at the date of transition.

After the transition date lease liability is measured at amortized cost using the effective interest method.

Subsequently the company measures the lease liability by increasing the carrying the amount to reflect the interest on the lease liability; reducing the carrying amount of reflect the lease payments made; and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Company uses the incremental borrowing rate which is the rate of interest that a lessee would have to pay over a similar term, and with a similar security, the funds necessary to obtain an asset of similar value of the right-to-use asset in a similar economic environment.

Right-of-use asset (ROU)

This is measured as lease liability adding any initial direct costs, prepaid lease payments, cost to dismantle or restore less lease incentives.

**Notes to financial statements for the year ended 31st, March 2023**

After the commencement date, the Company measures the ROU at cost:

- Less any accumulated depreciation and any accumulate impairment losses; and
- Adjusted for any re-measurement of the lease liability on subsequent to lease commencement date

A Company applies the depreciation requirement in Ind AS 16 while depreciating ROU asset. The said asset is depreciated over a period of lease term unless in case where ownership of underlying asset is transferred. In such case, the asset is depreciated over the useful life of underlying asset. Also, impairment requirements as per Ind AS 36 is applied by the Company

2.14 Foreign currencies

In preparing the financial statements of each individual Company entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- exchange differences on transactions entered into in order to hedge certain foreign currency risks (see 3.28 below for hedging accounting policies); and
- exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised initially in other comprehensive income and reclassified from equity to profit or loss on repayment of the monetary items.

For the purposes of presenting these financial statements, the assets and

**Notes to financial statements for the year ended 31st, March 2023**

liabilities of the Company's foreign operations are translated into currency Units using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. a disposal of the Company's entire interest in a foreign operation, a disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Company are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that includes a foreign operation that does not result in the Company losing control over the subsidiary, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Company losing significant influence or joint control), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

Goodwill and fair value adjustments to identifiable assets acquired and liabilities assumed through acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the rate of exchange prevailing at the end of each reporting period. Exchange differences arising are recognised in other comprehensive income.

2.15 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.16 Government grants

**Notes to financial statements for the year ended 31st, March 2023**

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the consolidated statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

2.17 Employee benefits

Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);

**Notes to financial statements for the year ended 31st, March 2023**

- net interest expense or income; and
- Remeasurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the statement of financial position represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

Contributions from employees or third parties to defined benefit plans

Discretionary contributions made by employees or third parties reduce service cost upon payment of these contributions to the plan.

When the formal terms of the plans specify that there will be contributions from employees or third parties, the accounting depends on whether the contributions are linked to service, as follows:

- If the contributions are not linked to services (e.g. contributions are required to reduce a deficit arising from losses on plan assets or from actuarial losses), they are reflected in the remeasurement of the net defined benefit liability (asset).
- If contributions are linked to services, they reduce service costs. For the amount of contribution that is dependent on the number of years

**Notes to financial statements for the year ended 31st, March 2023**

of service, the entity reduces service cost by attributing the contributions to periods of service using the attribution method required by Ind AS 19 for the gross benefits. For the amount of contribution that is independent of the number of years of service, the entity [reduces service cost in the period in which the related service is rendered / reduces service cost by attributing contributions to the employees' periods of service in accordance with IndAS 19

Share-based payment arrangements

Equity-settled share-based payment transactions with parties other than employees are measured at the fair value of the goods or services received, except where that fair value cannot be estimated reliably, in which case they are measured at the fair value of the equity instruments granted, measured at the date the entity obtains the goods or the counterparty renders the service.

For cash-settled share-based payments, a liability is recognised for the goods or services acquired, measured initially at the fair value of the liability.

2.18 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income/ statement of profit or loss] because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax

**Notes to financial statements for the year ended 31st, March 2023**

liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.19 Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated Balance Sheet at cost less accumulated depreciation and accumulated impairment losses. Free hold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised

**Notes to financial statements for the year ended 31st, March 2023**

impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation and amortisation

The Company depreciates property, plant and equipment over their estimated useful lives as specified in Schedule II to the Companies act, 2013 using the straight-line method.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and under construction) less their residual values over their useful lives, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed asunder based on technical advice,

Notes to financial statements for the year ended 31st, March 2023

taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.,

Depreciation is recognised in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment. Land is not depreciated but subject to impairment.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and any changes are considered prospectively.

The estimated useful lives are as follows:

Particulars	Years
Buildings	
-Factory and administrative buildings	20
-Ancillary structures	20
Plant and equipment	8
Furniture, fixtures and office equipment	5

2.20 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16 requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.21 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

**Notes to financial statements for the year ended 31st, March 2023**Internally-generated intangible assets - research and development expenditure

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- The ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognised separately from goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

**Notes to financial statements for the year ended 31st, March 2023**Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognised.

2.22 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

**Notes to financial statements for the year ended 31st, March 2023****2.23 Inventories**

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a weighted average cost basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Carrying value of inventories pledged as securities against loans are disclosed.

2.24 Provisions and contingencies

A Provision is recognised when the company has a present obligation (legal or constructive) as a result of past event i.e., it is probable that an out flow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- Contingent liabilities and assets are not recognised in financial statements. A disclosure of the contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

2.25 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

**Notes to financial statements for the year ended 31st, March 2023**

- Financial assets at amortised cost
- Equity instruments at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost

'Financial asset' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value.

The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in P & L.

**Notes to financial statements for the year ended 31st, March 2023****Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either

- (a) The Company has transferred substantially all the risks and rewards of the asset, or
- (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset

Impairment of financial assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

The Company follows "Simplified approach" for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses'.

**Notes to financial statements for the year ended 31st, March 2023****Financial liabilities****Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.26 Earning per equity share

Basic earnings per equity share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per equity share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. In computing

**Notes to financial statements for the year ended 31st, March 2023**

the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.27 Segment reporting

The management has assessed the identification of reportable segments in accordance with the requirements of Ind AS 108 'Operating Segments' and the company has disclosed only two reportable segments namely (i) Chemical Manufacturing and (ii) Power Generation. Further, the Board of directors have designated the Managing Director as Chief Operating Decision Marker ('CODM').

2.28 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.29 Estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Revenue recognition:

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation deliverables based on their relative stand-alone selling price. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion.

**Notes to financial statements for the year ended 31st, March 2023****Useful lives and residual value of property, plant and equipment:**

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Allowance for expected credit losses:

Note 2(1) describes the use of practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The expected credit allowance is based on the aging of the days receivables which are past due and the rates derived based on past history of defaults in the provision matrix.

Fair value of investments:

The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the valuation exercise carried out by the Company with the help of available historical annual reports and other information in the public domain.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent liability judgement:

Contingent liabilities are claims against the Company not acknowledged as debt. Contingencies may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum of contingencies inherently involve the exercise of significant judgement and the use of estimates regarding the outcome of future events.

Estimation of fair value

The Company obtains independent valuations for its investment properties annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company considers information from a variety of sources including:

- current prices in an active market for properties of different nature
- recent prices of similar properties in less active markets, adjusted to reflect those differences

The main input used is the price per square metre as per state government's registration and stamps department rate for the property. All resulting fair value estimates for investment properties are included in level 2.

Particulars	As at 31st, March, 2023	As at 31st, March, 2022
Unsecured and considered good	14,897.14	13,207.76
Unsecured and considered doubtful	67.29	67.29
	14,964.43	13,275.05
Expected credit loss allowance (allowance for bad and doubtful debts)**	(67.29)	(67.29)
Total trade receivables	14,897.14	13,207.76

The average credit period on sales is 60 days

No interest is charged on trade receivables for delay in payment beyond credit period from the due date of the Invoice.

The Company has used a practical experience by computing the expected credit loss allowance for Trade Receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates are given in the provision matrix. The provision matrix at the end of the Reporting Period is as follows :

No trade or other receivable are due from directors or other officers of the Company either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

Before accepting any new customer, the Company uses an external credit scoring system and other potential information to assess the customer credit quality and defines credit limit. The limit and scoring attributable to customer are reviewed periodically.

**Notes to financial statements for the year ended 31st March, 2023**

(All amounts in ₹Lakhs, except otherwise stated)

Standalone

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1 and 2 during the year.

NOTE 41: CAPITAL MANAGEMENT & RISK MANAGEMENT**Capital Management**

The Company being in a capital intensive industry, its objective is to maintain a strong credit rating healthy capital ratios and establish a capital structure that would maximise the return to stakeholders through optimum mix of debt and equity.

The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings.

The Company is not subject to any externally imposed capital requirements. The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and align maturity profile of its debt commensurate with life of the assets, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk.

Notes to financial statements for the year ended 31st March, 2023

(All amounts in ₹Lakhs, except otherwise stated)

Standalone

The Company monitors its capital using gearing ratio as given below:

Particulars	As at 31st March, 2023	As at 31st March, 2022
Total Debt*	27.56	47.46
Equity share capital	1,716.48	1,716.48
Other equity	73,387.96	55,315.29
Total equity	<u>75,104.44</u>	<u>57,031.77</u>
Total debt to Total equity ratio	0.0003	0.0008

*Total Debt is defined as secured long-term including current maturities of borrowings.

Financial risk management and objectives and policies

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact in the financial statements.

A Special Team with Senior Executives having exposure in various fields has been formed to assist Chief Financial Officer (CFO) in (a) Overseeing and approving the Company's enterprise wide risk management framework, and (b) Overseeing that all the risks that the organisation faces such as market risk (including currency risk, interest rate risk and other price risk), Credit risk and liquidity risk have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks.

The CFO, monitors and reports on the principal risks and uncertainties that can impact the company and its ability to achieve strategic objectives. The Company's management systems, organisational structures, processes, standards, code of conduct and behaviors together form the Management and business of the Company.

A. Market risk

The Company is exposed to market risk through changes in foreign currency exchange rates and changes in interest rates. Financial assets/liabilities affected by this risk are borrowings, letter of credits and trade receivables.

The Company's investments in equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The Company's Board of Directors reviews and approves all equity investment decisions.

Foreign currency risk management

The Company operates internationally and is exposed to foreign currency risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from import as well as exports of goods. The risk is measured through a forecast of highly probable foreign currency cash flows.

Notes to financial statements for the year ended 31st March, 2023

(All amounts in ₹Lakhs, except otherwise stated)

Standalone

The special team as mentioned above analysis the options for hedging. Based on the analysis the management takes decision regarding hedging of foreign currency exposures. Currently, the Company has not hedged any of the foreign currency transactions in the view of the natural hedging. The natural hedging is sufficient to manage the current foreign currency risk management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities are restated at the end of each reporting period. The same at the end of the reporting period are as follows :

Particulars	As at 31st March, 2023		As at 31st March, 2022	
	Currency	Amount in FC	Currency	Amount in FC
Receivables for export	USD	44.24	USD	25.00
Payables for imports	USD	56.04	USD	76.56

Foreign currency sensitivity analysis

The Company is mainly exposed to USD.

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The Company's exposure to foreign currency changes for all other currencies is not material.

	As at 31st March, 2023	As at 31st March, 2022
USD sensitivity		
increase by 5%	(47.17)	(195.43)
decrease by 5%	47.17	195.43

Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating base interest rates. Based on the interest rate sensitivity the Company decides on the management of interest rate risk. The Company manages by having a balanced portfolio of variable and fixed interest rate borrowings.

Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating base rate borrowings, as follows:

50 base points lower	-	0.24

B. Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. Regular monitoring of the receivables is undertaken by the marketing department and in case the limits are exceeded, steps will be taken by the marketing departments and after discussing with the management the Company will decide whether to stop or not further supplies to the concerned dealer till the amount outstanding is recovered. For the export made by the Company, the sales are backed by letters of credit or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken. "Export sales are fully secured through letters of credit or against advance receipts. (refer Note No.9 for Trade Receivables outstanding).

C. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines.

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Consolidated Financial Statements

**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
Sree Rayalaseema Hi-Strength Hypo limited

Report on the Audit of the Consolidated Financial Statements**Opinion**

We have audited the accompanying Consolidated Financial Statements of Sree Rayalaseema Hi-Strength Hypo Limited (here in after referred to as the "Holding Company") and its subsidiaries (Holding Company and its three subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March, 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidate Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the Consolidated Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the

Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl.No.	Key Audit Matter	Auditor's Response
1	<p>Revenue Recognition</p> <p>The application of the revenue as per Ind AS 115 involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.</p> <p>Revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations.</p> <p>Revenue is only recognised to the extent that it is highly probable that significant reversal will not occur. Accumulated experiences are used to estimate provisions of discounts, rebates.</p> <p>We tested related transactions with underlying customer contracts, and other related documentation based on which revenue is recognised.</p> <p>We also assessed the revenues related disclosures in the financial statements.</p> <p>Refer note no. 2.13 of the consolidated financial statements.</p>	<p>Our audit procedures, among others include the following:</p> <p>We reviewed the Company's implementation of Ind AS 115, including recognition of the effect on opening equity and changes to procedures, accounting guidelines, disclosures and systems to support correct revenue recognition. We reviewed and discussed the accounting policy including the key accounting estimates and judgements made by management.</p> <p>We tested the relevant internal controls used to ensure the completeness, accuracy and timing of revenue recognised.</p> <p>We read a sample of contracts to assess whether the method for recognition of revenue was relevant and consistent with Ind AS 115, and had been applied consistently. We focused on contract classification, allocation of income and cost to the individual performance obligations and timing of transfer of control.</p> <p>We evaluated the significant judgements and estimates made by management in applying accounting policy to sample of contracts and we obtained evidence to support them, including contractual agreements, delivery records.</p>

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, and the reports of the other auditors as furnished to us, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies which are incorporated in India, has adequate internal financial controls with reference to Consolidated financial statements in place system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of Consolidated Financial Statements and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtained sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for audit opinion on the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company and its subsidiaries which are incorporated in India as on 31 March 2023 taken on record by the Board of Directors of respective companies, none of the directors of the Group Companies incorporated in India is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Consolidated Financial Reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Consolidated Financial Statements disclose the impact of pending litigations as on 31 March 2023, on the consolidated financial position of the Group. Refer note 41 of Consolidated Financial Statements.
 - ii) Provision has been made in the Consolidated Financial Statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiaries incorporated in India.
- iv) (a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditor of such subsidiaries respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries, that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity,

including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) As stated in Note 15(v) to the financial statements the final dividend proposed in the previous year (FY 2021-22), declared and paid by the company during the year (FY 2022- 23) is in compliance with Section 123 of the Act, as applicable.
- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable with effect from April 1, 2023 to the Company and its subsidiaries, which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of amendments to section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries, which are incorporated in India is in accordance with the provisions of section 197 and Schedule V of the Act and not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (“the Order”/“CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Consolidated financial statements of Sree Rayalaseema Hi-Strength Hypo Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over to financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidate Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to financial statements for the year ended 31st, March 2023

Note 1: Corporate Information

Sree Rayalaseema Hi – Strength Hypo Limited (“the company”) incorporated on 28th March, 2005 it is the leading producer of Calcium Hypo Chloride, Stable Bleaching Powder, Sulphuric Acid and other chemicals.

The Company is a public limited company domiciled in India. The equity shares of the Company are listed on BSE Limited (BSE) and National Stock Exchange of India Ltd. (NSE).

The financial statements are approved for issue by the Company’s Board of Director’s on 30th May, 2023.

Note 2: Significant accounting policies

2.1 Statement of compliance

These Financial statements are separate financial statements of the Company (also called Standalone Financial Statements)

The Standalone Financial statements have been prepared in accordance with Indian Accounting Standards (as amended) (Ind AS) as notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 together with comparative period data as at the year end March, 31st 2023.

2.2 Basis of consolidation

The Consolidation Financial Statements comprise the Financial Statement of Sree Rayalaseema Hi-Strength Hypo Limited and its wholly owned subsidiary company TGV Sodium & Electrolite Private Limited, TGV Metals and Chemicals Pvt. Ltd.,

All Intercompany transaction, Balances, income and expenses are eliminated in full on consolidation.

Following are subsidiary companies as on 31st March 2023 and 31st March 2022 and the same are consolidated for the purpose of this Consolidated Financial Statements.

Name of the Company	Country of Incorporation	% Holding as on 31 March 2023	% Holding as on 31 March 2022
TGV Sodium & Electrolites Private Limited	India	100%	100%
TGV Metals and Chemicals Private Limited	India	50%	50%

**Notes to financial statements for the year ended 31st, March 2023****2.3 Basis of preparation and presentation of financial statements**

Financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The Standalone financial statements are prepared in Indian Rupees and all values are rounded off nearest to nearest lakhs.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transaction that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36 Impairment of Assets.

The Statement of Cash Flow have been prepared in Indirect Method.

2.4 Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates.

Any revision to accounting estimates is recognised prospectively in current and future periods. The critical accounting judgements and key estimates followed by the Company for preparation of financial statements.

2.5 Operating cycle.

Operating cycle is the time between the acquisition of assets for processing and their in cash and cash equivalents. The company has ascertained its operating cycle as twelve months for the purpose of current/noncurrent classification of assets and liabilities.

2.6 Current and Non-Current Classification.

The company presents assets and liabilities in the balance sheet based on current and non-classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of business
- Expected to be realized with in twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

The company classifies all the assets as non current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of business
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as noncurrent

Deferred tax asset and liability are classified as non-current asset and liability

2.7 Critical Accounting Judgements and Key source of estimation uncertainty operating cycle:

In the application of the company's accounting policies, the management of the company are required to make judgements, estimates, and assumptions about the carrying amounts of the asset and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

**Notes to financial statements for the year ended 31st, March 2023**

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods in the revision effects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other. For contingent losses that are considered probable an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. The management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

2.8 Functional Currency:

The Financial Statements are prepared in Indian Rupees, which is the functional currency of the company, functional currency of an entity is the currency of the primary economic environment in which the entity operates.

All amounts in the financial statements are stated in Indian Rupees unless otherwise stated.

2.9 Business Combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange of control of the acquire. Acquisition-related costs are generally recognised in profit or loss as incurred.

**Notes to financial statements for the year ended 31st, March 2023**

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value, except that:

- Deferred tax assets or liabilities, and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Taxes and Ind AS 19 Employee Benefits respectively;
- Liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payment arrangements of the Company entered into to replace share-based payment arrangements of the of the Company entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 at the acquisition date and
- Assets (or disposal Company's) that are classified as held for sale in accordance with Ind AS 105 (Non- current Assets Held for Sale and Discontinued Operations) are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

In case of a bargain purchase, before recognising a gain in respect thereof, the Company whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. Thereafter, the Company reassesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and recognises any additional assets or liabilities that are identified in that reassessment. The Company then reviews the procedures used to measure the amounts that Ind AS requires for the purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Company recognises it in order comprehensive income and accumulates the same in equity as capital reserve. This gain is attributed to the acquirer. If there does not exist clear evidence of the underlying reasons for classifying the business combination as a bargain purchase, the Company recognises the gain, after reassessing and reviewing(as described above), directly in equity as capital reserve.

Non-controlling interests that are present ownership interests and entitle their holders to a share of the entity's net assets in the event of liquidation may be initially measured either at fair value or at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets. The choice of measurement basis is made on a

**Notes to financial statements for the year ended 31st, March 2023**

transaction-by- transaction basis. Other types of non-controlling interests are measured at fair value or, when applicable, on the basis specified in another Ind AS.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date

The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability is remeasured at subsequent reporting dates in accordance with Ind AS 39, or Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets, as appropriate, with the corresponding gain or loss being recognised in profit or loss.

When a business combination is achieved in stages, the Company's previously held equity interest in the acquiree is remeasured to its acquisition-date fair value and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

**Notes to financial statements for the year ended 31st, March 2023****2.10 Goodwill**

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Company's cash-generating units (or Companies of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

2.11 Investments in associates and joint ventures

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Company's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Company's share of losses of an associate or a joint venture exceeds the Company's interest in that associate or joint venture (which includes any long-term interests that, in substance, form

**Notes to financial statements for the year ended 31st, March 2023**

part of the Company's net investment in the associate or joint venture), the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Company's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Company's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

After application of the equity method of accounting, the Company determines whether there any is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Company's investment in an associate or a joint venture.

When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

The Company discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. When the Company retains an interest in the former associate or joint venture and the retained interest is a financial asset, the Company measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109 (Financial Instruments). The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate or joint venture is included in the determination of the gain or

**Notes to financial statements for the year ended 31st, March 2023**

loss on disposal of the associate or joint venture. In addition, the Company accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Company reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the equity method is discontinued.

The Company continues to use the equity method when an investment in an associate becomes an investment in a joint venture or an investment in a joint venture becomes an investment in an associate. There is no remeasurement to fair value upon such changes in ownership interests.

When the Company reduces its ownership interest in an associate or a joint venture but the Company continues to use the equity method, the Company reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities. When a Company entity transacts with an associate or a joint venture of the Company, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Company's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Company.

2.12 Non-current assets held for sale/ distribution to owners and discontinued operations

The Company classifies non-current assets and disposal Company's as held for sale/ distribution to owners if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale/ distribution will be made or that the decision to sell/ distribute will be withdrawn. Management must be committed to the sale/distribution expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale/ distribution classification is regarded met only when the assets or disposal Company is available for immediate sale/ distribution in its present condition, subject only to terms that are usual and customary for sales/distribution of such assets (or

**Notes to financial statements for the year ended 31st, March 2023**

disposal Company's), its sale/ distribution is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale/ distribution of the asset or disposal Company to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal Company),
- An active programme to locate a buyer and complete the plan has been initiated
- The asset (or disposal Company) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale/for distribution to owners and disposal Companies are measured at the lower of their carrying amount and the fair value less costs to sell/ distribute. Assets and liabilities classified as held for sale/distribution are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortised.

Company qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations,
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations
- Is a subsidiary acquired exclusively with a view to resale

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Additional disclosures are provided in Note 30. All other notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.

**Notes to financial statements for the year ended 31st, March 2023****2.13 Revenue Recognition**

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognised when the right to receive dividend is established.

2.14 Leases

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-Balance Sheet model.

The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognize a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognize the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

**Notes to financial statements for the year ended 31st, March 2023**

Lease is 'a contract or part of a contract that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. An underlying asset has been defined to mean an

Asset that is the subject of lease, for which the right to use that asset has been provided by a lessor or lessee.

Measurement of lease liability

On the date of transition lease liability is measured at present value of lease payments that are not paid as at the date of transition.

After the transition date lease liability is measured at amortized cost using the effective interest method.

Subsequently the company measures the lease liability by increasing the carrying amount to reflect the interest on the lease liability; reducing the carrying amount to reflect the lease payments made; and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Company uses the incremental borrowing rate which is the rate of interest that a lessee would have to pay over a similar term, and with a similar security, the funds necessary to obtain an asset of similar value of the right-to-use asset in a similar economic environment.

Right-of-use asset (ROU)

This is measured as lease liability adding any initial direct costs, prepaid lease payments, cost to dismantle or restore less lease incentives.

After the commencement date, the Company measures the ROU at cost:

- Less any accumulated depreciation and any accumulate impairment losses; and
- Adjusted for any re-measurement of the lease liability on subsequent to lease commencement date

A Company applies the depreciation requirement in Ind AS 16 while depreciating ROU asset. The said asset is depreciated over a period of lease term unless in case where ownership of underlying asset is transferred. In such case, the asset is depreciated over the useful life of underlying asset. Also, impairment requirements as per Ind AS 36 is applied by the Company

2.15 Foreign currencies

In preparing the financial statements of each individual Company entity, transactions in currencies other than the entity's functional currency (foreign

**Notes to financial statements for the year ended 31st, March 2023**

currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- exchange differences on transactions entered into in order to hedge certain foreign currency risks (see 3.28 below for hedging accounting policies); and
- exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised initially in other comprehensive income and reclassified from equity to profit or loss on repayment of the monetary items.

For the purposes of presenting these financial statements, the assets and liabilities of the Company's foreign operations are translated into Currency Units using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. a disposal of the Company's entire interest in a foreign operation, a disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Company are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that includes a foreign operation that does not result in the Company losing control over

**Notes to financial statements for the year ended 31st, March 2023**

the subsidiary, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Company losing significant influence or joint control), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

Goodwill and fair value adjustments to identifiable assets acquired and liabilities assumed through acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the rate of exchange prevailing at the end of each reporting period. Exchange differences arising are recognised in other comprehensive income.

2.16 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.17 Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the consolidated statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

**Notes to financial statements for the year ended 31st, March 2023**

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

2.18 Employee benefits

Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- Remeasurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the consolidated statement of financial position represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

**Notes to financial statements for the year ended 31st, March 2023****Short-term and other long-term employee benefits**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

Contributions from employees or third parties to defined benefit plans

Discretionary contributions made by employees or third parties reduce service cost upon payment of these contributions to the plan.

When the formal terms of the plans specify that there will be contributions from employees or third parties, the accounting depends on whether the contributions are linked to service, as follows:

- If the contributions are not linked to services (e.g. contributions are required to reduce a deficit arising from losses on plan assets or from actuarial losses), they are reflected in the remeasurement of the net defined benefit liability (asset).
- If contributions are linked to services, they reduce service costs. For the amount of contribution that is dependent on the number of years of service, the entity reduces service cost by attributing the contributions to periods of service using the attribution method required by Ind AS 19 for the gross benefits. For the amount of contribution that is independent of the number of years of service, the entity [reduces service cost in the period in which the related service is rendered / reduces service cost by attributing contributions to the employees' periods of service in accordance with Ind AS 19

Share-based payment arrangements

Equity-settled share-based payment transactions with parties other than employees are measured at the fair value of the goods or services received, except where that fair value cannot be estimated reliably, in which case they are measured at the fair value of the equity instruments granted, measured at the date the entity obtains the goods or the counterparty renders the service.

**Notes to financial statements for the year ended 31st, March 2023**

For cash-settled share-based payments, a liability is recognised for the goods or services acquired, measured initially at the fair value of the liability.

2.19 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the consolidated [statement of profit or loss and other comprehensive income/ statement of profit or loss] because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

**Notes to financial statements for the year ended 31st, March 2023**

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.20 Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated Balance Sheet at cost less accumulated depreciation and accumulated impairment losses. Free hold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets (other than freehold land and properties under construction) less

**Notes to financial statements for the year ended 31st, March 2023**

their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation and amortisation

The Company depreciates property, plant and equipment over their estimated useful lives as specified in Schedule II to the Companies act, 2013 using the straight-line method.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and under construction) less their residual values over their useful lives, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed asunder based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.,

Depreciation

Depreciation is recognised in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment. Land is not depreciated but subject to impairment.

Notes to financial statements for the year ended 31st, March 2023

Depreciation methods, useful lives and residual values are reviewed at each reporting date and any changes are considered prospectively. The estimated useful lives are as follows:

Particulars	Years
Buildings	
Factory and administrative buildings	20
Ancillary structures	20
Plant and equipment	8
Furniture, fixtures and office equipment	5

2.21 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16 requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.22 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Internally-generated intangible assets - research and development expenditure

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

**Notes to financial statements for the year ended 31st, March 2023**

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- The ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognised separately from goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognised.

**Notes to financial statements for the year ended 31st, March 2023****2.23 Impairment of tangible and intangible assets other than goodwill**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2.24 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a weighted average cost basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Carrying value of inventories pledged as securities against loans are disclosed.

**Notes to financial statements for the year ended 31st, March 2023****2.25 Provisions and contingencies**

A Provision is recognised when the company has a present obligation (legal or constructive) as a result of past event i.e., it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- Contingent liabilities and assets are not recognised in financial statements. A disclosure of the contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

2.26 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Financial assets at amortised cost
- Equity instruments at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost

'Financial asset' is measured at the amortised cost if both the following conditions are met:

**Notes to financial statements for the year ended 31st, March 2023**

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value.

The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement- and either

**Notes to financial statements for the year ended 31st, March 2023**

- (a) The Company has transferred substantially all the risks and rewards of the asset, or
- (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of financial assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

The Company follows “Simplified approach” for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head ‘other expenses’.

Financial liabilities**Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company’s financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

**Notes to financial statements for the year ended 31st, March 2023****Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.27 Earning per equity share

Basic earnings per equity share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per equity share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.28 Segment reporting

The management has assessed the identification of reportable segments in accordance with the requirements of Ind AS 108 'Operating Segments' and the company has disclosed only two reportable segments namely (i)

**Notes to financial statements for the year ended 31st, March 2023**

Chemical Manufacturing and (ii) Power Generation. Further, the Board of directors have designated the Managing Director as Chief Operating Decision Marker ('CODM').

2.29 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.30 Estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Revenue recognition:

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation deliverables based on their relative stand-alone selling price. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion.

Useful lives and residual value of property, plant and equipment:

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Allowance for expected credit losses:

Note 2(1) describes the use of practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The expected credit allowance is based on the aging of the days

**Notes to financial statements for the year ended 31st, March 2023**

receivables which are past due and the rates derived based on past history of defaults in the provision matrix.

Fair value of investments:

The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the valuation exercise carried out by the Company with the help of available historical annual reports and other information in the public domain.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent liability judgement:

Contingent liabilities are claims against the Company not acknowledged as debt. Contingencies may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum of contingencies inherently involve the exercise of significant judgement and the use of estimates regarding the outcome of future events.

Consolidated

Estimation of fair value

The Company obtains independent valuations for its investment properties annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company considers information from a variety of sources including:

- (i) current prices in an active market for properties of different nature
- (ii) recent prices of similar properties in less active markets, adjusted to reflect those differences

The main input used is the price per square metre as per state government's registration and stamps department rate for the property. All resulting fair value estimates for investment properties are included in level 2.

NOTE 5: FINANCIAL ASSETS - NON-CURRENT INVESTMENTS

(A) Investments through fair value through other comprehensive income	16,119.57	12,878.04

Particulars	As at 31st, March, 2023	As at 31st, March, 2022
Unsecured and considered good*	14,897.14	13,207.76
Unsecured and considered doubtful	67.29	67.29
	14,964.43	13,275.05
Expected credit loss allowance (allowance for bad and doubtful debts)**	(67.29)	(67.29)
Total trade receivables	14,897.14	13,207.76

The average credit period on sales is 60 days

No interest is charged on trade receivables for delay in payment beyond credit period from the due date of the Invoice.

The Company has used a practical experience by computing the expected credit loss allowance for Trade Receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates are given in the provision matrix. The provision matrix at the end of the Reporting Period is as follows :

No trade or other receivable are due from directors or other officers of the Company either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

Before accepting any new customer, the Company uses an external credit scoring system and other potential information to assess the customer credit quality and defines credit limit. The limit and scoring attributable to customer are reviewed periodically.

Venture capital funds	2,760.46	-	-	2,760.46
Investment property	-	-	-	-
Total financial assets	16,368.80	-	-	16,368.80

**Notes to financial statements for the year ended 31st March, 2023***(All amounts in ₹Lakhs, except otherwise stated)***Consolidated**

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1 and 2 during the year.

NOTE 41: CAPITAL MANAGEMENT & RISK MANAGEMENT**Capital Management**

The Company being in a capital intensive industry, its objective is to maintain a strong credit rating healthy capital ratios and establish a capital structure that would maximise the return to stakeholders through optimum mix of debt and equity.

The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings.

The Company is not subject to any externally imposed capital requirements. The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and align maturity profile of its debt commensurate with life of the assets, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk.

Notes to financial statements for the year ended 31st March, 2023
(All amounts in ₹ Lakhs, except otherwise stated)
Consolidated
Gearing ratio

The Company monitors its capital using gearing ratio as given below:

Particulars	As at 31st March, 2023	As at 31st March, 2022
Total Debt*	27.56	47.46
Equity share capital	1,716.48	1,716.48
Other equity	73,387.96	55,315.29
Total equity	<u>75,104.44</u>	<u>57,031.77</u>
Total debt to Total equity ratio	0.0003	0.0008

*Total Debt is defined as secured long-term including current maturities of borrowings.

Financial risk management and objectives and policies

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact in the financial statements.

A Special Team with Senior Executives having exposure in various fields has been formed to assist Chief Financial Officer (CFO) in (a) Overseeing and approving the Company's enterprise wide risk management framework, and (b) Overseeing that all the risks that the organisation faces such as market risk (including currency risk, interest rate risk and other price risk), Credit risk and liquidity risk have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks.

The CFO, monitors and reports on the principal risks and uncertainties that can impact the company and its ability to achieve strategic objectives. The Company's management systems, organisational structures, processes, standards, code of conduct and behaviors together form the Management and business of the Company.

A. Market risk

The Company is exposed to market risk through changes in foreign currency exchange rates and changes in interest rates. Financial assets/liabilities affected by this risk are borrowings, letter of credits and trade receivables.

The Company's investments in equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The Company's Board of Directors reviews and approves all equity investment decisions.

Foreign currency risk management

The Company operates internationally and is exposed to foreign currency risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from import as well as exports of goods. The risk is measured through a forecast of highly probable foreign currency cash flows.

Notes to financial statements for the year ended 31st March, 2023

(All amounts in ₹Lakhs, except otherwise stated)

Consolidated

The special team as mentioned above analysis the options for hedging. Based on the analysis the management takes decision regarding hedging of foreign currency exposures. Currently, the Company has not hedged any of the foreign currency transactions in the view of the natural hedging. The natural hedging is sufficient to manage the current foreign currency risk management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities are restated at the end of each reporting period. The same at the end of the reporting period are as follows :

Particulars	As at 31st March, 2023		As at 31st March, 2022	
	Currency	Amount in FC	Currency	Amount in FC
Receivables for export	USD	44.24	USD	25.00
Payables for imports	USD	56.04	USD	76.56

Foreign currency sensitivity analysis

The Company is mainly exposed to USD.

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The Company's exposure to foreign currency changes for all other currencies is not material.

	As at 31st March, 2023	As at 31st March, 2022
USD Sensitivity		
Increase by 5%	(47.17)	(195.43)
Decrease by 5%	47.17	195.43

Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating base interest rates. Based on the interest rate sensitivity the Company decides on the management of interest rate risk. The Company manages by having a balanced portfolio of variable and fixed interest rate borrowings.

Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating base rate borrowings, as follows:

Notes to financial statements for the year ended 31st March, 2023

50 base points lower	-	0.24

B. Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. Regular monitoring of the receivables is undertaken by the Marketing Department and in case the limits are exceeded, steps will be taken by the Marketing departments and after discussing with the management the Company will decide whether to stop or not further supplies to the concerned dealer till the amount outstanding is recovered. For the export made by the Company, the sales are backed by letters of credit or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken. "Export sales are fully secured through letters of credit or against advance receipts.

C. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines.

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
